## ACADEMY OPENS WITH CAPACITY ENROLLMENT

Twenty states, the District of Columbia, and three foreign countries are represented at Governor Dummer for the 1956-57 school year. There are one hundred and ninety-four boarders and twenty-three day students, making a total of two hundred and seventeen boys. Every available room is filled, including six extra rooms made available by changes in faculty housing.

Students outside of Massachusetts come from the following states: California 1, Connecticut 9, Iowa 2, Illinois 6, Louisiana 1, Maine 12, Michigan 1, Nebraska 2, New Hampshire 8, New Jersey 7, New Mexico 1, New York 21, Ohio 5, Pennsylvania 5, Rhode Island 6, Texas 1, Virginia 1, West Virginia 1, and Wisconsin 1. There is, in addition, one boy from the District of Columbia.

Foreign students come from the British Crown Colony (Hong Kong) and England. In addition, Pakistan is represented by an American boy whose parents are now resident in that country.

## ALUMNI REPRESENTATIVES SIT WITH BOARD OF TRUSTEES

Donald Lawrence '35, has been appointed to succeed James B. Gardiner '23 as alumni representative to sit with the Board of Trustees for one year. Continuing in the same capacity again this year is Rodman Gearhart '29, President of the Alumni Association. Lawrence and Gearhart attended the regular meeting of the Board on September 7 in Boston.

Mr. Lawrence is President of the Portland Stove Foundry Company and lives in South Portland, Maine. His oldest son, Franklin Lawrence II, entered Governor Dummer as a freshman in September of this year. Mr. Gearhart is manager of John Glennie Inc. in Andover, and lives at Rye Beach, New Hampshire.

## CLASS OF '56 AGAIN FAVORS THE IVY LEAGUE COLLEGES

While the 61 seniors who marched around the Milestone in June are now scattered to twenty-eight colleges, the majority of them have chosen New England and Ivy League colleges. Amherst was the choice of seven, Dartmouth and Yale of six each, Brown of four, Harvard and Trinity of three each. The rest are scattered in smaller groups, but all except the English Exchange student and two who entered military service are in college.

*Harvard, Amherst, and Dartmouth*

*Favored in Ten-Year Totals*

Since the scholastic standing of a school is shown not only by the proportion of graduates who gain admission to colleges, but also by the type of college chosen, Governor Dummer is justly proud of the following list, which includes all colleges to which ten or more graduates have gained admission in the ten post-war years.

Harvard	80
Amherst	46
Dartmouth	43
Brown	40

## EDITORIAL

Today, more than ever before, admission to a top-notch preparatory school is becoming increasingly difficult. In the last three years the number of applications for admission to Governor Dummer has more than doubled; consequently, admission has become largely competitive. What has been true of college admission since the war, now holds true at the secondary school level also.

This increase in the number of applications puts an added responsibility on each successful candidate. He has a responsibility to the school which has gambled on his determination to work to the best of his ability.

For the sake of his own future, he should strive to build the best possible foundation for his future in college and after.

He has a responsibility to his parents, who are making sacrifices to give him the best possible preparation.

And lastly, he has a definite responsibility to the unsuccessful candidate whose place in the school he is filling.

GENE BOULEY STEALS THE BALL IN BROWNE AND NICHOLS GAME

## SOCCKER TEAM DROPS OPENER AT ANDOVER

The Governor Dummer soccer schedule opened with Phillips Academy at Andover on Wednesday, October 3. The Governors began the first period with a quick goal by Cyril Fung, but the strong Andover team tied the score in the second period and scored three in the second half to edge the Governors 4-1.

Everyone looked forward to the first league game with Noble and Greenough at Dedham. In the first thirty seconds of play, the Governors scored a well-executed fast-break, and Gene Bouley headed the ball in to the goal in the third period to increase the lead. Frank Dickerson played an exceptionally good game at right half. Bill George, playing spectacularly in the goal, stopped two attempts by Nobles to save the day, once on a penalty kick into the left corner and the other on a mix-up in front of the cage.

Browne and Nichols came to Byfield to play the Governors in the second league game on Wednesday, October 10. They scored first;

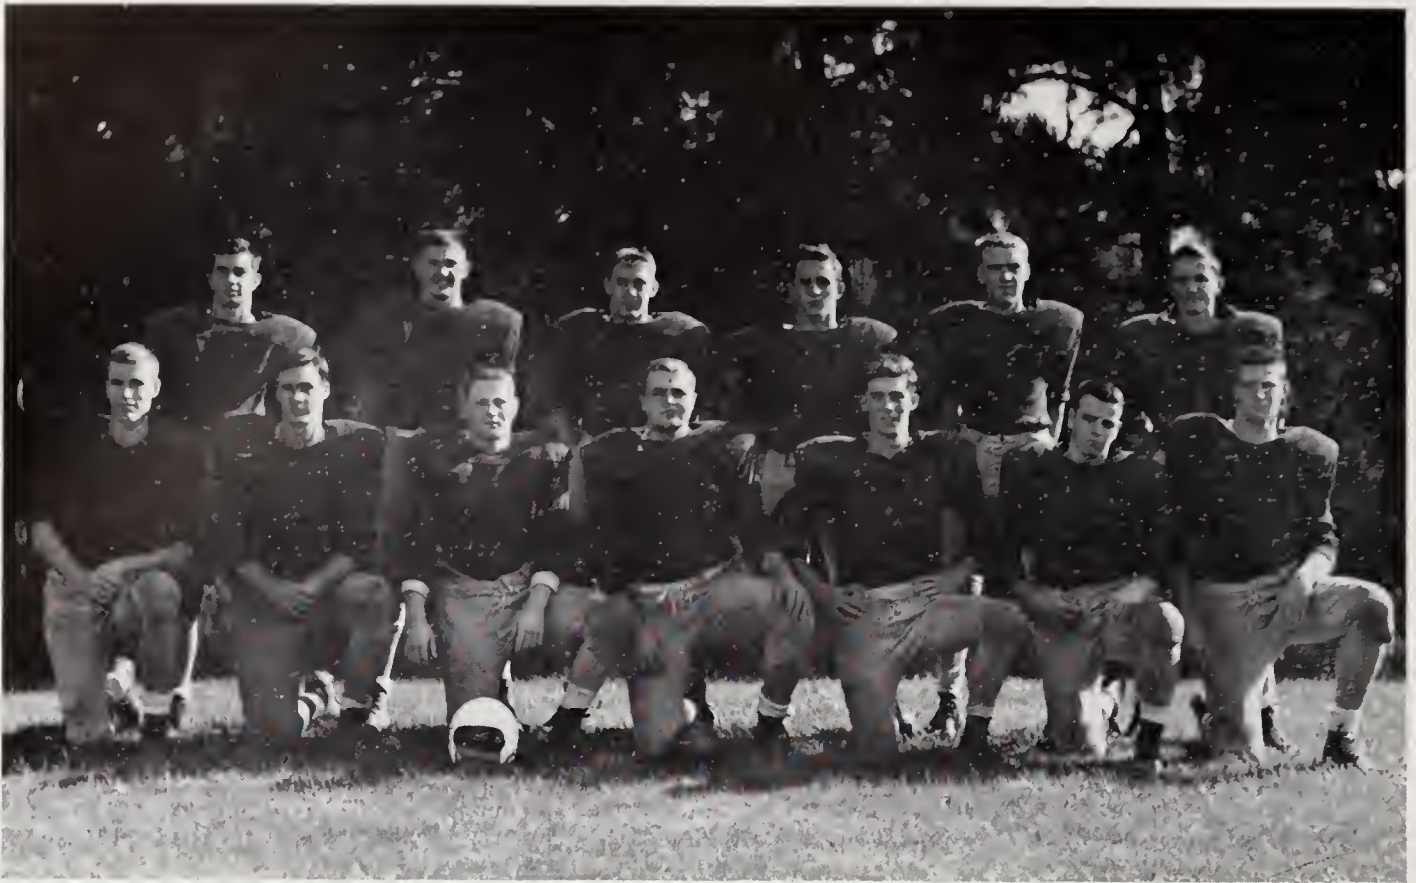

Albert Jackson tied the game in the third period; but the Governors lost the heart-breaker when Browne and Nichols scored twice with five minutes left in the last period.

For the third league game, the Governors travelled to North Andover to play Brooks School on October 13. The only goal of the game was scored by Albert Jackson for the Governors. Bill George again made several spectacular saves in this game. Hardy Bedford played center half back, never letting Brooks get to the ball first; while Dave Cushman and Captain George Starbuck kept the ball away from the goal.

On October 20 the Governors scored a 2-0 victory at Milton and showed the most determined play of the season. Milton controlled the ball for the first seven minutes of play until Dave Andersen scored on a beautiful penalty shot.

The half ended 1-0. Milton threatened hard in the third period but was foiled by three beautiful saves on the part of Bill George in the Governors' cage. The fourth quarter was even until, with only five minutes left, Ned Stone passed in from the outside and Dave Andersen scored again.

## GOVERNORS WIN FIRST THREE FOOTBALL GAMES

The Governor Dummer football team stretched its victory string to eight straight by winning its first three games of the 1956 season.

St. Sebastian's was the opponent in the opener at Newton on October 6. The two teams battled it out scorelessly in the first quarter. Eddie Johnsen's punting, and strong defensive play by the Governors, forced St. Sebastian's deep into their own territory in the second period. The break came when Jim Sylvester intercepted a pass; and a few plays later Wink Pescosolido scampered around end for the first tally.

Captain Donald Kaufman and Mike Tyler were towers of strength defensively in the second half and the Governors effectively halted St. Sebastian's attack. In the final quarter Pescosolido made an exceptionally spectacular run. Knocked off balance twice, he still managed to keep on his feet and finally sprinted over with what proved to be the final score in the 13-0 victory.

### *Governor Dummer Downs Moses Brown*

Governor Dummer subdued a Moses Brown team 34-7 in the home opener in the Byfield Bowl on October 13.

The Governors were paced by Gale French, who scored three touchdowns and played an outstanding game both on offense and defense. French started the scoring for the Governors by taking a pitch-out and running 65 yards around end on the third play from scrimmage. Eddie Johnsen followed with the first of four conversions.

Moses Brown quickly bounced back to tie the game. Fullback Schultz, standing on his own goal line, threw a surprise pass to Booth, who carried to the Governors' 28. Another pass, completed from Schultz to Hill, scored Moses Brown's only marker.

In the second period Randy Light, who replaced Wink Pescosolido at quarterback, connected with right-end Kent Dumont for a second tally, and shortly after French scored his second touchdown to make the score 21-7 at the half.

French and Lonnie Churchill each scored on line bucks in the third period to make the

### C SQUAD FOOTBALL TEAM DROPS FIRST TWO GAMES

The 1956 C-Squad football team started its season at home on October 10 with a game against a strong Haverhill J.V. team. Early in the second period Mike Dunsford swept the end with Mel Blake, the end, successfully taking out two men to make the score possible. Pete Sherin played a fine game at quarterback, and Kim Kimball also played good ball at fullback. But in the final outcome, the Governors were beaten by a score of 20-7.

Then on October 17 the squad travelled to Andover for its second game, with the Andover J.V.'s. Both teams were handicapped somewhat by the terrific heat, but both fought hard and played well. Minutes before the half, Charlie Langmaid at left halfback threw a long pass to Mike Dunsford, who ran for several more yards for the Governors' longest gain throughout the game. Then Andover scored one T.D. and an extra point on an end sweep. And so at the half the score stood G.D.A. 0, Andover 7. The second half ran much like the first, and although the Governors really put out, they couldn't seem to

score. And on a long pass and then a long run, Andover scored again. The extra point was no good. The final score stood: Andover 13, G.D.A. 0.

---

### J.V. SOCCER TEAM IS DEVELOPING RAPIDLY

The J.V. soccer season began at Andover on October 3 when the Governors lost by a score of 1-0. It continued three days later with a tie game at Roxbury Latin School. Bob Kancavicus scored the Governor Dummer goal, and two overtime periods failed to break the 1-1 tie.

The Governors earned their first clean-cut victory against Browne and Nichols on October 10, and Scott Cappel and Harris Wainwright scored to give the Governors a 2-1 decision. Throughout the season Captain Owen Obetz has been an outstanding leader.

At Milton on October 20, the Governors scored a 2-0 win on goals by Alan Tucker and Peter Vermilya. All scoring was in the first half. The Governors had control of the ball for most of the second half but were unable to score.

## VARSITY FOOTBALL

score 34-7. In the final quarter Coach Sager's reserves proved unexpectedly competent, but there was no additional scoring.

*Governors 27 — Milton 7*

At Milton on October 20 the Governors were able to avenge the lopsided defeat suffered there two years ago, although the issue was in doubt until the fourth period.

The Governors scored first when a 70-yard first period drive was culminated by a 5-yard pass from Pescosolido to Mike Tyler. Ed Johnsen kicked the extra point. Milton roared back with an 80-yard drive with Crocker smashing through tackle to score from six yards out. The try for point was good.

Milton dominated the play for the remainder of the half but was unable to break the 7-7 tie.

A third period drive by the Governors stalled on the 20-yard line. Bob Hicks' place kick was short and again Milton took over and dominated the play until the fourth quarter when the Governors mounted two successful drives with Jim Sylvester going through tackle from the six-yard line for one touchdown and Lonnie Churchill romping twenty yards for another. Eddie Johnsen kicked both points to make the final score 27-7.

## LIGHTNINGS' FUMBLES LEAD TO HAVERHILL VICTORY

On October 10 the Governor Dummer Lightning football team began its season against the Haverhill Freshmen. Before the game, it was announced that Ken Wolf, the Lightning quarterback, would be captain for the day.

The game began auspiciously for the Governors as the team ripped off two first downs and moved into Haverhill territory. A fumble, however, gave the ball to Haverhill, and they proceeded to work their way down the field deep into Lightning territory. A final plunge through the center of the line gave Haverhill its first touchdown for the afternoon. The Governors fought back with all they had; but Haverhill, mixing end runs and center plunges, managed to score once more in the first half while holding the Lightnings scoreless.

The second half of the game was repetitious of the first, and the game ended with the Lightnings on Haverhill's 4-yard line, but on the short end of a 32-0 score.

## PONIES DROP OPENER TO IPSWICH UNDERCLASSMEN

The Pony football team opened its season on Wednesday, October 10, against a team of freshmen and sophomores from the Ipswich High School. Playing on their own field, the Ponies went into the game with hope and spirits high.

But Ipswich capitalized on the Governors' errors and scored three times before Fred Lyman crossed the line for the Ponies late in the fourth quarter. Inspired by this success the Ponies pressed hard for the remainder of the game, but time ran out on them, and they went down to defeat 20-7.

## RIFLE CLUB PREPARING FOR NATIONAL MATCHES

The Rifle Club this year has aroused an unusual amount of interest and attracted many new members. Elections have been postponed in order to let the new and old members become thoroughly acquainted before the officers are named. Regular shooting, however, has been going on with special activity on Sunday afternoons.

The main goal of the Rifle Club this year is to form one or two teams of four boys each to shoot in the National Shoulder-to-Shoulder Meet to be held at Gloucester next April. Teams from the school have competed in this meet in previous years with some success.

## SENIORS WATCH "OLYMPIC" BASKETBALL GAME AT ANDOVER

On Saturday night, October 13, Mr. and Mrs. Eames and three masters took the senior class to Phillips Academy at Andover to watch an exhibition basketball game between the Boston Celtics and the Rochester Royals, staged in order to raise funds to send our Olympic team to Melbourne.

On the afternoon of October 14, Mr. Philip Smith took a group of boys to Andover to see an exhibition tennis match.
